

**Pathways Retreat  
Restoration Project  
To Establish Prairie and Edge**

- Objectives**
- Remove exotic shrubs and trees
  - Restore natural vegetation
  - Create wildlife habitat
  - Develop aesthetic retreat space

**Design**

Edge: native dogwoods, redbud crabapple, serviceberry, hawthorn, hazelnut, nannyberry, American plum

Border: white Dutch clover for firebreak and trail

Prairie: warm season prairie grasses and native forbs and with a few white oak for oak savannah appearance

**Pathways Retreat  
309 Hackett Road  
Goshen, IN**
